Re: United States v. Delia Nelson  
94 Cr. 993 (RR)

Dear Sir or Madam:

I represented Delia Nelson, a defendant in the above referenced matter in a case emanating in this District. On March 21, 1995 the case was dismissed on motion by the Government. The Order of dismissal was signed by the Honorable Reena Raggi (see enclosure).

I write to request that any reference to her arrest in this matter be removed from the appropriate database. The arrest (sometimes appearing as an open case) has appeared on her record when she applies for a job and has the potential to cause more problems for her if she seeks other employment. Removal of any reference to this matter in the criminal record database would in my opinion serve the ends of justice, and would remove a major hindrance to Ms. Nelson.

I have enclosed for your perusal the Order of dismissal in this case.

If you have any questions, please call me at (212) 966-3970.

*This request should be made to the U.S. Attorney, since it is presumably the Executive branch's data base that are at issue.*

Very truly yours,

*Donald D. duBoulay*

*Ms. Nelson cannot secure satisfaction, an action would have to be pending before the Court for it to order a party to take action. If court databases are at issue, Counsel should provide further...*
